

PALMER YOUTH BASEBALL AND SOFTBALL 2026 SPONSORSHIP DRIVE

Mail application and donation to: PYBSA, PO BOX 144, PALMER, MA 01069

Dear Local Business Owner, Community Partner, Potential/Current Sponsor—

On behalf of the Palmer Youth Baseball and Softball Association (PYBSA), we would like to invite you to partner with us for our upcoming 2026 season!

As we gear up for another exciting year on the diamonds, we are reflecting on the incredible success of our past programs—success that would not be possible without the generous support of organizations like yours. Our mission remains focused on providing a safe, fun, and competitive environment where local youth can learn teamwork, sportsmanship, and the fundamentals of the game.

To keep our programs accessible and our facilities in top shape for 2026, we rely on community sponsorships to offset the costs of equipment, insurance, field maintenance, and jerseys.

Your tax-deductible contribution directly impacts the lives of hundreds of children in the Palmer area. We would be honored to have your business “step up to the plate” and join our roster of supporters for 2026.

To secure your sponsorship, for the upcoming season, included with this letter is the 2026 Sponsor Application. We welcome any donation amount and will recognize sponsors appropriately through our team uniforms, website, emails, and social media communication. Our annual “Banners at Burleigh” program continues to be a huge success, with a proud display of local businesses at the fields.

In addition to monetary support, we also hold a raffle fundraiser which is in need of donated items such as products, gift cards, or gift baskets.

Thank you for your continued support of Palmer’s youth. We look forward to seeing you at the ballpark this spring!

Sincerely,

Jessica Kimball
